

Award Winner Ben Lavender

Article from
*'On Common
Ground'*
Issue 27
July 2009

Ben Lavender is employed as a Groundsman by Sterling Group Services and is based at Newington College, he has been with them for just on five years.

He was the recent winner of the **Ryde College Highest Pass for Cert III by a Sportsfield/Cricket/Racetrack Employee.**

I meet with Ben at Newington College to discuss the award and his work and to have a look around the College. Ben is an energetic tireless worker who thoroughly deserved this award. It is recognition of someone who offers great loyalty and commitment to his duties. He genuinely enjoys his work and has a great capacity to listen and learn. Ben takes pride in the school where he works and is highly regarded.

Well done Ben and good luck in the future.

Graeme Logan
