## Invitation

Tickets are now available for the 2009 STA Sportsman's Charity Event.

We invite you to get a group together and book your seats for the Sportsman's Charity Event. This event not only brings the Turf industry together for a social day but will raise funds for a very worthy cause - Mens Health. This year we will donate to the Movember Group who support both Beyond Blue and Prostate Cancer Foundation of Australia.

In our 7th year of The Sportsman's Charity Event, 2009 will see a few changes including a new starting time of 3.30pm. We are very pleased to announce that Bulldogs star Brett Kimmorley will be our guest speaker for the event. We are also working on other big names to at the event. Our MC for the day is Steve Allan who many of you will recognise as the presenter for all the NRL major events.

The day will include plenty of socialising time for guests with lots of fun activities. We will have a few select live auction items as well as silent auction items on offer.

This event is a great way to get staff or clients together at the end of the year and unite the Turf industry.
