

# 2018/19 MEMBERSHIP

It is membership renewal time and we hope that you will continue to be part of the STA NSW Team. As an association created to provide a network for Sports Turf Managers who are involved in managing sports turf facilities in New South Wales, we will continue to provide opportunities for education and development to enhance the professionalism of our industry.

Membership gives you access to our STA NSW Committee, who can provide expert advice when you need. It also provides great discounts on events like our Wicket Accreditation Program, annual golf day and trade events.
